Re: United States v. Maurice Hicks, 21-Cr-674(GHW)

Dear Judge Woods:

I write to respectfully request a thirty-day adjournment of the upcoming conference in Mr. Hick's case currently scheduled for January 18, 2022. Given personal health issues that arose since the last conference, defense counsel requests an adjournment for additional time to review discovery. AUSA Thomas McKay has consented to the adjournment.

Thank you for your consideration of this request.

Sincerely,

Marisa K. Cabrera

Application denied without prejudice. This application does not state the parties' positions regarding the exclusion of time through the new conference date. The Court's Individual Rules of Practice require that a party seeking an exclusion of time under the Speedy Trial Act submit additional information as detailed there. It is not clear from this letter whether either party is seeking the exclusion of time in connection with this application. Any renewed application for an adjournment should expressly state the position of the parties with respect to that issue, and, if either party is seeking the exclusion of time, comply with the Court's Individual Rules with respect to the request. The Clerk of Court is directed to terminate the motion pending at Dkt. No. 14.

SO ORDERED.
